

SUBJECT: *I'd love to get your advice / help on...*

Dear Friend,

I am on a mission to **share the healing benefits of laughter** and the joy of the Lord!

After I lived in a nursing home for a week in 2024, God gave me a vision and a calling to build a ministry that will give **daily laughter medicine to 1,000 seniors** in nursing homes by the end of 2025.

To serve these seniors, **God has led me to become a Certified Laughter Trainer**. And a Chaplain with the US Conference of Chaplains, which includes training in giving spiritual first aid.

I am regularly working with about 10 seniors in area nursing homes every month.

I have seen that **the joy of the Lord, and therapeutic laughter really benefit these seniors!**

Elizabeth is just one of the nursing home seniors I work with. I was able to take her from being in a lot of pain, to the blissful picture you see at right, quicker than a nurse could bring Tylenol. Every visit, I **see how laughter is the key God gave us to unlock the medicine cabinet he put in our brains**.

One of my goals in 2025 and beyond is to create a sustainable plan for the ongoing work, so you and I can share in the vision to bring the healing and joy of therapeutic laughter to seniors in nursing homes.

Here is why I need your help:

- This vision is more than I can do by myself.
- I need the resources to train and certify others to help lead laughter with seniors.
- The nursing homes have almost no budget for activities for the seniors.

The only way I can make this ministry happen is to get help to clarify the message of this ministry, **invite others to be part of this ministry**, grow a donor base, and raise support so I can **serve these seniors, and those who care for them**.

It's a dream of mine to enroll in a support-raising training called [Fully Funded Academy](#), hosted by two fundraising and marketing professionals, Mike Kim and Mary Valloni.

Mike and Mary have worked with ministries like Catalyst, MOPS, People of the Second Chance, and American Cancer Society.

This training is specifically for Christian missionaries, and it's a dream of mine to enroll so I can gain **important skills that can improve the effectiveness of our ministry**.

Recently, I joined Mary and Mike in a free support-raising training, and it was fabulously helpful. I can only imagine what more I'll learn if I join them inside Fully Funded Academy.

I've been going it alone for too long and **I really need some strong coaches to surround me..**

Would you consider sponsoring my enrollment?

Investment is \$37 a month, or just \$397 for the year.

[Fully Funded Academy](#) promises to be of tremendous help to the ministry, and it would also give me the chance to rub shoulders with other co-laborers in Christ.

Would you help make this dream a reality?

If you're willing, please send a quick reply to me at LaughingChurch@gmail.com ! Feel free to text or call me at 415-779-6079.

It would mean so much to me and the people I serve if you are willing to **please join my ministry of sharing the joy of the Lord and help make this dream come true. Thank you!**

In Christ, let us share the joy of the Lord!

Chaplain Garnet R. Chaney, CLYT, CSH

Since 2004, Garnet has answered God's calling to reach individuals with the message of health and wellness that comes from following Biblical health techniques.

Garnet was also personally trained by Dr. Madan Kataria, MD, to lead group laughter sessions. In 2025, Garnet completed certification as a laughter trainer. He also answered the call to become a chaplain with US Conference of Chaplains.

Garnet works with seniors in nursing homes to bring the Joy of The Lord.

Laughter and gentle aerobic movement, with sound healing, and prayer are very powerful techniques for bringing wellness, joy, and peace to staff and patients. Garnet also ministers to seniors in the community.
